

## Maverick 60 Inch Ceiling Fan by Visual Comfort Fan

### Overview

As its name implies, the Monte Carlo Maverick 60 Ceiling Fan is truly an original. As one of the top-notch companies in ceiling fan design and manufacturing, Monte Carlo ups the ante with this unexpected, trendsetting design. A fantastic blend of accessible style and easy sophistication, the Maverick features contemporary lines, increased energy efficiency (it's Energy Star rated), and a sleek, modern silhouette. The blade pitch is engineered to enhance airflow. Ideal for any residential or office setting, the Maverick, with its 60-inch sweep, will take a commanding place in any room. The 60-inch Maverick features a whisper-quiet, energy-saving DC motor and a unique three-rouned blade design that are each hand-carved from balsa wood. This elegantly simple piece provides incredible airflow throughout living rooms, bedrooms, and offices even covered outdoor areas, thanks to its damp UL rating. Choose from several different finishes available here at 1800Lighting: brushed steel, matte black, and aged pewter. Monte Carlo's Maverick ceiling fan includes a convenient hand-held remote control with six speeds, as well as reverse. Since 1996, Monte Carlo Fan Company has always pushed the boundaries of style while producing some of the most energy-efficient cooling solutions. In part because of the lightness of the balsa wood blades, the Maverick was named the most efficient ceiling fan in 2017 by the renowned Energy Star certification system. Monte Carlo, the versatile company that makes the Maverick, offers a wide selection of ceiling fans that fit the bill for many different uses: indoors, outdoors, in homes, and in offices. When you purchase this Monte Carlo Maverick 60-inch ceiling fan from us, you'll receive our 110% best-price guarantee, as well as easy returns and hassle-free exchanges.
